

LABEL THE CLOUDS

Label the types of clouds based on the descriptions given below.

- **Cirrus** - White, delicate, and feathery clouds found at high altitudes
- **Cirrocumulus** - Small, white patches of clouds like regularly arranged grains
- **Cirrostratus** - Very thin, whitish clouds with a hair-like appearance
- **Cumulus** - Puffy clouds that look like pieces of floating cotton
- **Stratus** - Low-level clouds that are blanket-like with a uniform grey or white color
- **Alto cumulus** - White or grey round patches covering the sky
